Those facing charges are a mother and her teenage son.

The party occurred on September 17th at a home on Fairhaven Road in Brighton.

Police at the scene claim they found hundreds of kids, along with beer and drug equipment.

After getting enough witnesses to state that alcohol was served to minors in the presence of at least one adult, investigators are prepared to file charges.

53-year old Sandra Fassel and her 17-year old son, Ian, are accused of endangering the welfare of a child.

Ian, a senior at Penfield High School, also faces an additional count of unlawfully dealing with a child.

The charges against both are misdemeanors.

They will be issued appearance tickets for arraignment in Brighton Town Court at a later date.
